A TECH-THEMED TREASURE HUNT where participants follow CLUES, SOLVE RIDDLES, & DECODE TECH-RELATED HINTS to reach the FINAL GOAL.

RULES & REGULATIONS:

TEAM COMPOSITION:

- Team should consist of 2 members.

COMPETITION FORMAT

The event is conducted online, but all participants must be physically present on-site and not participate from any other location.

The treasure hunt has 2 rounds:

Round 1 : 5 clue questions + 1 final word (15 minutes)

Round 2 : 3 advanced clues + 1 final puzzle (15 minutes)

Note: Top teams qualify for Round 2

RULES :

- Only one member per system is allowed, and both teammates must be present together while attempting the quiz.
- Participants can join using a mobile phone, laptop, or PC.
- Tab switching, multiple device access, or refreshing the browser during the test will be tracked and may lead to disqualification.
- Use of external help, online search, or AI tools is strictly prohibited.
- All answers must be submitted within the given time – no extensions.
- Each clue leads to one hidden letter – participants must track these to form the final word.
- In the event of a tie, the team with the fastest completion time will be ranked higher.
- One attempt per team only – no retakes allowed.
- The organizers' decision will be final in all matters of the event.

REQUIREMENTS: :

- Participants must join the event using a PC, laptop, or mobile device with a stable internet connection
